

TORCH GOLFS + REGISTER. PLAY. IMPACT. Torch Golfs Through Torch's annual golf tournament benefiting Village of Promise, we raise money to provide education, health, enrichment programs and family support services. The annual event includes 200 golfers from multiple companies and organizations. Through the combined generosity of our incredible sponsors, golfers, volunteers, Torch's employee-owners and Board of Directors, as well as the employee-owners and Board of Directors of our sister and parent companies Freedom Real Estate and Starfish Holdings, we were able to present the Village of Promise with a \$105,000 donation this year! This donation, made possible by all who gave of their time and/or resources, will support an invaluable nonprofit organization in their mission to break the cycle of poverty, one family at a time.
